### Work Experience

**2D Spine Animator**

**Floyd County Productions | August 2023 – Present**

- Animating short cinematics for a Pre-K game series

**Freelance 2D Rigger**

**Sesame Workshop | April 2023 – Present**

- Rigging multiple characters with master controller sliders for use on various projects, with built-in versatility of both flat and rendered designs

**2D Rigger**

**Floyd County Productions | January 2023 – July 2023**

- Rigged full turnarounds of characters, drones, and props for an adult series
- Set up files with required assets and rigs to be shipped to overseas studios

**Tween Animator**

**Awesome Inc. | August 2022 – January 2023**

- Animated rigged in-betweens on an adult feature film
- Assisted in additional key animation for crowds and client key notes

**Freelance 2D Animator**

**Global Mechanic | July 2022 – August 2022**

- Animated on all episodes of a Pre-K series intended for online viewing
- Adjusted schedule flexibly, changing working hours for the needs of production and to coordinate with time zone differences

**2D Animator**

**Bento Box Entertainment | July 2021 – July 2022**

- Worked on multiple adult comedies, assisting on cut-out animation through keys, in-betweens, and retakes
- Provided additional support to other departments to meet critical deadlines, such as BG design and compositing

**Freelance 2D Rigger & Animator**

**Primal Screen | May 2021 - July 2021**

- Built 20 character rigs for short promotional animations
- Animated multiple scenes using Toon Boom Harmony
- Created promotional art by posing the character rigs and props
